Awaiting the Already—*An Advent Journey Through the Gospels* by Magrey R. deVega  
Each Gospel, in its own way, leads us on the Advent journey of preparation for Christ's  
coming. We will take a tour through the four Gospel narratives that announce Christ's  
birth or make way for his ministry. Discover what parts of the Christmas story come  
from which Gospel, and uncover Advent's tension between the past and the future  
within your own life. In doing so, we will recognize an invitation from each Gospel writ-  
er to prepare for a fresh experience of Christ in the present.  
We will have four weekly class sessions beginning the week of November 25. Classes  
are held Monday mornings at 10:00 a.m. or Thursday evenings at 6:30 p.m. Cost of the  
book is \$10.00

*Matthew 18:20: Where two or three have gathered together in my name, there I am also. NAS*

Prayer is the act of talking to God in thanksgiving, sharing concerns or crying out for God’s mercy. Prayer is a connection for us to God and to each other. We have the ability to share our life with one another and with God when we come together to pray.

It seems like our world is falling apart. So many people are hurting and need the assurance of God who loves them and is with them.

Let’s be a connection, a light in a dark world, an encouraging force of God’s amazing grace through prayer warriors who offer prayer and receive prayer.
